

## COVID-19 Compliance

There is a COVID-19 Compliance Plan in place. Some key points:

- Mass numbers are only restricted by available social distancing rules/space;
- Sanitation will probably be the 'new normal' and will continue to be available/practised;
- The prohibition on sharing and re-use of books and papers will remain in force until further notice;
- Mass Booklets and printed hymn sheets are for personal re-use only. Please bring them back with you each week. All other bulletins etc. take with you until further notice.
